

Borrowing Discovery Kits:

- ◆ Discovery Kits may be borrowed by adults age 18 and over with a valid library membership in good standing.
- ◆ All Discovery Kits circulate for a 2-week period.
- ◆ Kits are examined upon check-out and check-in, and the borrower will be charged a replacement cost for all missing or damaged items.

Through Cornerstones of Science STAR (Sharing Telescopes and Astronomical Resources) Program, patrons can check out a telescope as they would a book.

Discover the world around you!
