At Story Time, we share the enjoyment of books and reading. It is a fun and safe environment for children and parent or caregiver to share time together at the library and to make new friends. The books and activities are selected for children 3-5 years but younger and older children are welcome if they are not disruptive. There will be stories, songs, games, crafts, and a snack. Following the program, feel free to remain in the Children's Room to play and borrow books to share at home.
