

# **CRIBBAGE TOURNAMENT DIRECTIONS**

1. It is up to you and your partner about how serious or lax you want to play, but please discuss this beforehand so both players are in agreement. Remember - this is for FUN!
2. Decide whether or not to play Muggins. (If a player fails to claim her or his full score on any turn, the opponent may call out "Muggins" and peg any points overlooked.)
3. You can use the cribbage board and cards provided at the library or you can use one you bring. Just agree!
4. For your information and settling any disputes, the link to the ACA Rules is [www.cribbage.org/NewSite/rules/default.asp](http://www.cribbage.org/NewSite/rules/default.asp).
5. This is a single elimination tournament.
6. Winner of 2 out of 3 games continues to the next round in the tournament.
7. No skunks! (i.e. will not count as a win of two games)
8. Please write the winners name on the tournament poster at the library so that we know the game has been played and we can move on to the next round.

Thank you for playing and GOOD LUCK!
